#### **What to do when you arrive:**

Once you have arrived safely at your destination airport or train station, call Steve Robertson on his summer cell at 484-505-6555 or Jennifer Walker at 1-866-879-5527 ext 31.

Please call this number only after you have arrived. Because flights are often delayed or canceled, we will not send someone to get you until you have arrived. Steve will dispatch someone to pick you up and let you know where and when to meet your ride.

If you should get Steve's voicemail, leave a detailed message with information about where you are and a call-back (cell) number if possible. If you do not have a call-back number, leave detailed information about your location and call Steve back in 30 minutes to receive further instructions.
