LOCATIONS AND FACILITIES

Julian Krinsky summer programs are held at the following prestigious private schools and colleges in Philadelphia, on the suburban Main Line and in New Jersey: the University of Pennsylvania, Haverford College, Bryn Mawr College, Cabrini College, the Westtown School, the Shipley School and Princeton University. Depending on the program, students enjoy full use of sports facilities, auditoriums, classrooms, computer labs, libraries and dining halls. The camps are staffed exclusively with carefully selected, highly qualified instructors and residential counselors.
