

Julian Krinsky School of English

- FOR INTERMEDIATE TO ADVANCED ENGLISH STUDENTS
- **AGES 10–13:** CHOOSE MIDDLE SCHOOL XPLORATION AT BRYN MAWR COLLEGE
- **AGES 14–17:** CHOOSE HIGH SCHOOL ENRICHMENT AT HAVERFORD COLLEGE

TAKE YOUR ENGLISH TO THE NEXT LEVEL THIS SUMMER.

Offered at our Middle School Xploration and High School Enrichment summer programs, the School of English combines classroom lessons, online skills workshops and field trips for a truly American experience. As an Xploration or Enrichment student, you will also enjoy a wide choice of academic, arts, sports and social activities.

Our fun, fast-learning approach to language education structures the entire day to provide opportunities for instruction, with activities specially designed to increase your English vocabulary, comprehension and ability to communicate. In addition, you and your fellow students will travel throughout the Philadelphia region to discover the culture of one of the most historic cities in the United States as you practice speaking and reading English.

WE MEET YOU WHERE YOU ARE. Students are grouped by skill to ensure a learning level that's perfect for you.

In every lesson you'll develop reading, writing, speaking and listening skills, aided by instant computer-based feedback on grammar and pronunciation. Whether you come from Asia, Europe or South America, you'll leave speaking English more confidently with a standard American accent.

At the end of the session, each student who successfully completes the program will receive a personalized Certificate of Completion.

LEARN WITH AMERICAN STUDENTS. Your classmates will come from around the world, with about 80% from America. So you'll be living and taking classes with native speakers — a great opportunity to improve your conversational skills naturally through continual interaction with fluent English-speaking instructors and students.

English Learning Tailored to You

Study English for the entire day. Or combine your lessons with other activities. The choice is up to you.

MAJOR COURSE

Monday–Friday, 9 a.m.–12 p.m.

Students work in a classroom setting with instructors on a curriculum personalized for their individual level of English. Classwork includes morning instruction along with computer-based, peer and textbook resources.

Twice each week, students tour historic Philadelphia's most famous sites, improving their skills through field-based assignments, activities and scavenger hunts. You will learn on the go as your teachers weave English lessons into everything you do.

In addition, ESL students (English as a Second Language) act as peer tutors on field trips to provide extra practice in conversational English.

AFTERNOON ACTIVITIES

Monday, Wednesday & Friday, 1 p.m.–2:30 p.m.

Students test their skills in immersion-based courses with English speakers from all over the world. These programs are designed to identify areas needing improvement and build the confidence required for effective communication.

Tuesday & Thursday, 1 p.m.–2:30 p.m.

Students can participate in an extracurricular lesson for students in the School of English or choose from afternoon activities such as tennis, golf, radio broadcasting, fashion design, cooking and more.

Monday–Friday, 2:30 p.m.–4:00 p.m.

Students choose from a wide range of recreational activities to continue learning through interaction with classmates and counselors in English.

INSPIRING INSTRUCTORS AND COUNSELORS

The program features separate teaching and counseling staffs, all carefully selected for their credentials, enthusiasm and experience.

Drawn from top local schools, our instructors work with you on an individual level to make learning English exciting and rewarding. They are friendly, patient and encouraging to all students.

Counselors provide friendship, support and guidance as needed. They come from across America and many countries worldwide, giving the staff diversity and a wide range of experience.

EXPERIENCE COLLEGE LIFE, AMERICAN-STYLE

The program is an outstanding opportunity for students to experience the excitement and challenge of college life.

Middle school students, ages 10–13, live on campus at Bryn Mawr College. **High school students, ages 14–17**, live on campus at Haverford College. Both are private colleges on tree-lined campuses with excellent classrooms, dormitories and facilities. Most students have a private or semi-private room furnished with a bed, dresser, desk, chair, fan and refrigerator. Counselors stay on the same floor with their assigned groups.

Haverford and Bryn Mawr are just a half-hour from downtown Philadelphia, convenient to the Philadelphia International Airport (PHL) and approximately two hours from New York City and Washington D.C.

A TYPICAL DAY

Morning Program

7:45 Residential Student Wake-up

8:30 Breakfast — Cafeteria-style in the dining center, including fresh juices and seasonal fruits, breads, bagels and croissants, hot oatmeal and cereal bar, waffles, pancakes, French toast, and eggs and omelets.
