Care to change the world.™

PENN NURSING SUMMER INSTITUTE

Hands-on Learning in a World-Class Environment

- High School Juniors and Seniors
- 4-week session
- University of Pennsylvania School of Nursing

The University of Pennsylvania School of Nursing offers a unique four-week intensive program that features cutting-edge research, the latest advances in virtual learning and clinical experience in Philadelphia's top hospitals.

Working with Penn faculty and classmates from around the world, students will enjoy an innovative classroom curriculum that covers health care topics such as current epidemics, genetics, bioethics and emergency nursing. Students will

then shadow clinical nurses and observe healthcare being practiced on every floor and in every department from the emergency room to the NICU.

“After four jam-packed weeks, I am certain that I not only want to become a nurse, but a specialized nurse practitioner.”

—Alexandra B.
Irvine, CA

Preparing the Next Generation of Scientists, Leaders, Educators and Clinicians

Health science is at the heart of the curriculum, a selection of regular Penn courses sequenced and paced for the age and experience of the student body. The program uses state-of-the-art classrooms, advanced simulation laboratories, and intelligently designed space where students can connect, engage and exchange.

The Campus Experience

Living and working with students from the USA and around the world, you will gain a unique perspective on college life. Participants will be living in Penn's famous Quad in the University City District; walking distance from dozens of restaurants, shops, recreational facilities and entertainment venues. After class, you can enjoy your choice of on and off-campus activities organized by our staff. Residential life is managed by Julian Krinsky Camps & Programs, a leading creator of world-class summer education experiences.

Weekend Trips

Two trips are offered every Saturday to regional destinations of your choice such as New York City, Washington, DC, Baltimore, amusement parks, white water rafting and Ocean City, NJ. On Sunday, students enjoy a variety of sports and optional trips, including swimming, bowling, golf and tennis lessons, museums, baseball games and attractions in Philadelphia. It's all included in your tuition.

How to Apply

Admissions decisions are made as applications are received, as long as spaces are available. Space is limited and the program fills each summer. Applications require an official high school transcript and two teacher recommendations. Visit our website to submit your application.
